Angel's Touch Home Care, West Pittston, Joins Millenium Home Health Care's Family of Providers

January 10, 2011 - Angel's Touch Home Care, which brings Medicare home health care services to ill and disabled homebound residents of neighborhoods in the Wilkes-Barre and Scranton, PA regions, is now part of the Millenium Home Health Care family of providers.

Since 2007 Angel's Touch Home Care, certified by the Community Health Accreditation Program (CHAP), has been trusted by physicians and referral sources for the care of their patients. They provide skilled nursing, physical, occupational and speech therapies, medical social work and home health aide services.

Now with Millenium Home Health Care, Angel's Touch Home Care will be an even stronger provider, able to bring its services to more neighborhoods and regions than ever before. In addition to traditional home care services, new specialty home care services will be developed and announced. Care always will be provided with a "*Personal, Professional and Patient-Focused*" approach.

For 17 years Millenium Home Health Care has provided Medicare home health care services to thousands of patients from three offices in Southeastern Pennsylvania. Their clinical professionals are proud of their prompt, caring, compliant and quality home health care.

Millenium Home Health Care recently was privileged to achieve, for their 3rd consecutive year, the honor of recognition by **HomeCare Elite™**. Millenium once again demonstrated clinical excellence when compared with other providers throughout the nation. They also continue to surpass industry standards for clinical excellence in "**Home Health Compare,**" as monitored, measured and posted by the U.S. government. They are among the highest-ranking in the southeastern Pennsylvania/tri-state region.

Millenium Home Health Care President and Chief Executive Officer Anthony P. Angelo said, "We are proud of our new association with Angel's Touch Home Care. It is clear how respected they are by their community, by health care professionals and, most important, by patients. We promise to work together to strengthen and continue to earn respect for care that is personal, professional and patient-focused."

The clinical and administrative professionals of Angel's Touch Home Care thank all of their colleagues for entrusting their patients to their care. It is their privilege to care for each of them, and to assist you.

If you are not completely satisfied with the service you experience, or the care your patients receive, they welcome your comments.

Please call Angel's Touch Home Care for assistance with your next referral:
Angel's Touch Home Care, 341 Wyoming Ave # 2, West Pittston, PA 18643-2839.
