

Diabetes Program

FACT:

- 25% of seniors have diabetes
- 1 in 5 health care dollars is spent caring for people with diabetes
- Adults with diabetes have increased heart disease death than those without diabetes

How Our Diabetes Program Works

Millenium Home Care incorporates multi-discipline care coordination offering:

- Individualized patient care management
- Focus on education and treatment
- Effective physician communication
- Transition to independence

Program Benefits

- Immediate response to patient needs
- Collaborative patient management
- Facilitates care transition
- Improved outcomes and independence

The Millenium Health Education Program Improves Outcomes and Reduces Admissions
